5. If your answer to any of the four preceding questions is anything other than an unqualified "YES," please explain below (*or on attached page*):

Given that Ms. Blalock severely defamed plaintiff and that they are in pro se, Dr. Murrey was forced to file this document himself. Please see the attached Declaration. Nevertheless Plaintiff sought in good faith to file this report properly. As noted in his recent reply and/or supplemental brief in regard to the coming hearing regarding whether or not Ms. Blalock's case will remain in federal court or be remanded to its original place in state court, given Blalock's clear conspiracy with other defendants, including platforms and their algorithms i.e. product liability, negligence and deceptive business practices, plaintiff requires a jury trial and requests it be remanded. For these reasons, if this case remains in federal court, plaintiff will first be forced to motion for leave to file a second amended complaint to add the above-noted complexity to this case. New evidence for instance has come to light showing that Facebook paid Blalock's co-conspirators to harm him.
